

## Schoolmistresses at Whipstock Grange

**Miss Hewitt The Head Headmistress**

You are a new pupil and not yet had the pleasure of my cane across your bare bottom, come here and bend over, that's better, let's put that matter to rest right now with at least twelve deliciously crisp strokes of the rod, BEND!!

**Miss Hyde. Deputy Headmistress.**

No naughty boy or girl's bottom is safe from my whippy cane, now then, shall it be six of the best, or a nice crisp dozen, I so enjoy the sight of a well welted pair of buttocks. Come here boy, you may run but you can't hide from Miss Hyde.

Bend over!

### **Miss Brown Discipline Mistress**

*Upper School*

Class dismissed, except for you my boy! Don't let my sweet smile fool you, I'm just deciding how many strokes of my new cane to give you, 2 dozen or 3, that's after I have bent you over my knee and spanked you!! Trousers and pants right down now bend over you naughty boy!

### **Miss Parker. Regional Discipline Mistress**

Miss Parker is the head of discipline for the county of Herts! She is from the Cheshunt And Newtown Education Department, or C.A.N.E.D for short!!

Her expertise in 'educating' naughty schoolboys and girls via the copious use of corporal punishment is renowned. There is nothing she enjoys more than when she is employing her talents to a nicely bared bottom, especially with her cane!!

### Miss Maxine

Correction specialist for Hampshire

Well now my boy, so you think you can disrupt my class and walk away with just a smacked bottom, well now we are alone and I am about to test your fortitude with this cane, drop your shorts and underpants and bend over, that's it boy, right over, touch your toes, present to me your bare bottom and let's see if you find twenty-four welting strokes amusing shall we!!!

### Your Headmaster

Naughty schoolgirls, and boys, who skip school, can expect to feel the sharp end of my cane, as it bites deep into your bare bottom. Come here girl, raise your skirt and pull down your knickers, now bend over and touch your toes for 18 strokes of the senior cane, if you move I will start again!!

**Finally the backbone of the school**

**Miss Storm The School Secretary**

Be warned boys & girls, my eyes and ears are everywhere, you do anything wrong in or out of school, and rest assured I will hear about it. It will then be my pleasant duty to report the matter to your teacher and Headmaster, who will administer a suitable punishment across your bare bottom!!

\*\* Ok so this picture is not Miss Storm, I didn't want to put you off, the real one is much more scary!! \*\*
